

Super Concentrated Isoflavones

Solgar

Tipo de producto

Food Supplement

Composición

Each tablet provides: Standardised Soy Germ Powdered Extract (providing 30 mg [60%] total isoflavones) 50 mg. Bulking Agents: microcrystalline cellulose, dicalcium phosphate. Anti-caking Agents: silicon dioxide, vegetable magnesium stearate. Cellulose Gum. Glazing Agents: hydroxypropylmethyl cellulose, vegetable glycerin (from palm kernel oil and coconut oil).

Indicaciones

Designed to provide the benefits of isoflavones, which are natural plant compounds found in soy. These can be particularly beneficial for women, especially during menopause.

Posología

As a food supplement for adults, one (1) tablet daily, preferably at mealtime, or as directed by a healthcare practitioner.

Precauciones

If you are pregnant, nursing, taking any medications or have any medical condition, please consult your healthcare practitioner before taking any food supplement. Keep out of reach of children. Store in a cool, dry place. Do not use if outer bottle seal is missing, torn or damaged in any way.

Contraindicaciones

Not recommended for pregnant or lactating women, or individuals with a history of hormone-sensitive cancers, without medical advice.
