

GUMMIES TURMERIC CURCUMIN WITH GINGER & BLACK PEPPER PEACH FLAVOR

NaturesPlus

Tipo de producto

DIETARY SUPPLEMENT

Composición

Turmeric Rhizome Extract (250 mg, standardized to 95% curcuminoids [237.5 mg]), Ginger Root Extract (12 mg, standardized to 5% gingerols [0.6 mg]), Black Pepper Fruit Extract (100 mcg). Other ingredients: Glucose syrup, sugar, water, pectin, citric acid, trisodium citrate, natural flavors. Free from synthetic colors, flavors, milk, egg, crustacean shellfish, tree nuts, peanut, wheat, soy, and sesame.

Indicaciones

Supports cardiovascular, digestive, and joint health. Helps promote immune health and provides antioxidant support. Supports control of temporary inflammation resulting from strenuous activity such as work or exercise. Contributes to overall well-being.

Posología

As a food supplement for adults, chew two gummies daily, or as directed by a healthcare professional. Do not exceed the recommended dose.

Precauciones

Keep out of reach of children. Keep tightly closed in a cool, dry place. Consult a healthcare professional before use. May cause mild heartburn or digestive upset in some people, especially on an empty stomach. May affect how some compounds are absorbed; avoid taking at the exact same time as sensitive medications unless advised. Individuals with pre-existing liver conditions should exercise caution and seek medical advice before using curcumin supplements. Avoid prior to surgery as turmeric can thin the blood and increase the risk of bruising and bleeding. Do not use during pregnancy and lactation (medicinal amounts). Do not use if you have gallstones or a bile duct obstruction. May interact with certain medications including insulin or oral diabetes medicine, blood thinners (e.g., warfarin, aspirin), drugs that suppress the immune system, chemotherapy drugs, and medications metabolized by CYP450 enzymes (e.g., antihistamines, benzodiazepines, calcium channel blockers). Monitor for signs of hepatotoxicity (liver injury) such as yellowing of the eyes or skin, dark urine, nausea, vomiting, or stomach pain; stop use and consult a healthcare professional if these symptoms occur. May interfere with iron absorption.

Contraindicaciones

Not recommended for pregnant or breastfeeding individuals (at medicinal doses). Contraindicated for individuals with gallbladder problems such as gallstones or bile duct obstruction. Should not be used by those with bleeding disorders or who are taking blood-thinning medications. Avoid if you have a liver disorder or a history of liver problems. Do not take if allergic to turmeric or any other ingredients in the product. Generally not authorized for individuals under 18 years of age. Avoid if you have a gastric ulcer.

Datos técnicos	
EAN	97467046948
Formato	Gummies
Tipo	DIETARY SUPPLEMENT
Peso / Volumen	60 Gummies
Apto para	Adults, Vegetarian, Vegan-friendly, Gluten-free, Non-GMO, Dairy-free, Egg-free, Nut-free, Peanut-free, Wheat-free, Crustacean shellfish-free, Soy-free, Sesame-free.
